Sir:

An Office Action dated September 30, 2003 received in the above-identified application indicates that the present application has been abandoned due to the Applicants failure to timely file a proper reply to the final Office Action letter mailed on February 28, 2003. However, a Patent Office Fee Transmittal Form, Request for Continued Examination, Preliminary Amendment, Petition for a Two Month Extension of Time, Additional Claims Fee Transmittal Letter, check for \$1,328.00 and Information Disclosure Statement with form PTO-1449 and three references were all submitted to the PTO on July 28, 2003.

As evidence that these items were submitted on July 28, 2003, copies of all of these items dated July 28, 2003 are included with this Petition. Also, a date-stamped postcard receipt indicating that all of these items were filed in the PTO is enclosed. It is noted that the postcard receipt indicates that only a Petition for a One Month Extension of Time was included. However, it is apparent that this is a typographical error on the postcard receipt based on the fact that the actual copy of the Petition clearly indicates that a two month extension of time was requested. Further, the Patent Office Fee Transmittal Form explicitly authorizes the PTO to charge and deficiency to Deposit Account No. 23-0975. In addition, a copy of the cancelled check for \$1,328.00 is also submitted which specifically lists that the two month petition fee of \$410.00 was included in the
